

### 2019-2020 Verification Worksheet (V1)

Your application was selected by the U.S. Department of Education for review in a process called "Verification." The Office of Financial Aid must compare your FAFSA with the information you provide on this worksheet and other financial documents. If there are differences between your application information and the documents you submit, your application may need to be corrected. **The Office of Financial Aid cannot make any federal financial aid payments available to you or process a student loan request until all verification requirements have been met and the necessary corrections have been made.**

### Next Steps
