FINANCIAL AID
FINANCIAL ASSISTANCE INFORMATION
The College of Mount Saint Vincent’s Office of Financial Aid supports student services, enrollment, and retention goals by providing federal, state, and/or institutional aid funds to eligible students. As such, we promote student diversity by assuring access and assisting prospective and enrolled students in obtaining the funds necessary to complete their college education.

The primary objective of the Office of Financial Aid is to provide financial assistance within its available resources to those students who, without such assistance, would be unable to attend the College. Financial aid is an educational assistance and a tool for understanding and families in financing an education, and sometimes the application and follow-up procedures can often create stress and confusion.

We hope this handbook will clarify the following-up procedures necessary to complete the financial aid process.

**How Financial Assistance is Determined**

When the Office of Financial Aid receives your Free Application for Federal Student Aid (FAFSA), it is individually reviewed to determine your eligibility for financial assistance. Your eligibility for assistance will be determined by the Expected Family Contribution (EFC) as computed by the FAFSA. If there is a difference, then you have shown need for assistance. The Office of Financial Aid will process a financial aid package, which may include a combination of scholarships, grants, loans, or work-study opportunities. All students’ financial aid packages are determined on a full-time basis.

*If you are an undergraduate student and enrolled in less than 12 credits during a semester, you must notify the Office of Financial Aid immediately as some of the awards may need to be adjusted.*

**FAFSA Policy**

All domestic students interested in receiving any federal or state aid, and who wish to be considered for a full evaluation of institutional aid must complete a FAFSA. FAFSAs are due March 15th for new students and April 15th for continuing students. The College of Mount Saint Vincent’s FAFSA code is 002703.

**High School Diploma or GED**

In order to receive any federal, state, and/or institutional aid, student must provide a final high school transcript or copy of their GED to the College prior to registration.

**Expected Family Contribution**

The Expected Family Contribution (EFC) is an estimate of what the family is expected to provide to meet the educational expenses for the student. The amount expected from the family can differ from the amount that will be paid to the College of Mount Saint Vincent. The amount you will need to pay will be affected by (1) our ability to meet demonstrated need, and (2) the types of aid included in the package.

**Accepting Financial Assistance**

To accept your financial aid award you can sign your financial aid letter and return it to the office. Once you submit your enrollment deposit you can also accept your aid at the student Self-service portal:

selfservice.mountsaintvincent.edu

**Attendance Policy**

Per federal regulations, we are required to verify students’ attendance before we disburse certain federal grants and loans, including the Federal Pell Grant and Federal Direct Stafford Loans. Delays in receiving your federal funds are possible if we are unable to confirm attendance information from the Office of the Registrar.

**Types of Financial Assistance and Follow-up Responsibilities**

The following is a list of financial assistance funds, which may be listed on your aid letter. Certain types of funding require follow-up on your part. It is crucial that you complete the follow-up procedures in a timely manner in order to receive the funding.

**Federal Pell Grant**

Eligibility for the Pell Grant is determined by the federal government when you complete the FAFSA. You will receive a Student Aid Report (SAR) from the federal government. Once you have completed the federal verification process, if required, the estimated amount shown on the award letter will become an actual amount, or a revision will be made based on the information received through the verification process. This program requires 12 credit hour enrollment each term to receive the full amount estimated. Awards will be prorated for less than 12 semester hours. The amount of Federal Pell Grant funds you may receive over your lifetime is limited by federal law to be the equivalent of six years of Pell Grant funding. Since the maximum amount of Pell Grant funding you can receive each year is 100 percent, the six-year equivalent is 600 percent.

**Federal Supplemental Educational Opportunity Grant**

The Federal Supplemental Educational Opportunity Grant (FSEOG) is a federal grant program for undergraduate students with exceptional financial need. These need-based funds are awarded to students by the College of Mount Saint Vincent. Students who will receive Federal Pell Grants, and have the most financial need, will have priority to receive the FSEOG. Early filing of the FAFSA is imperative due to limited funding.

**Tuition Assistance Program (NYS Residents Only)**

The Tuition Assistance Program (TAP) helps eligible New York residents pay tuition at approved schools in New York State. TAP is a grant; it does not have to be paid back. TAP is estimated on the aid letter. To determine actual eligibility, students must file an application with the New York State Higher Education Services Corporation (HESCs). You may apply for TAP at: hesc.ny.gov The College of Mount Saint Vincent’s TAP school code is 0150.

Students may receive a maximum of 48 points for four years of full-time enrollment—each semester is 6 points.

For more information about additional requirements for renewal, please review the Satisfactory Academic Progress Standards section of this booklet.

**Other State Grants**

Other grants and work-based and amounts can vary from state to state. Please check with your state agency about application procedures and deadlines. All state awards will remain estimated until disbursed upon official notification is received from the state agency.

**Outside Scholarships**

In addition to financial aid funds awarded by, or administered, through the Office of Financial Aid, you may have knowledge of an outside scholarship you will be receiving. You must notify the Office of Financial Aid of all outside scholarships, as they may affect your financial assistance package. Funds should be mailed directly to the Office of Financial Aid. It is your responsibility to apply for, or renew, any outside scholarships. You may visit our scholarship directory on our website and find many scholarships that are available in your area.

**Loan Programs**

Students and families are able to borrow loans to cover educational expenses beyond the aid they have been awarded. Below is an explanation of various programs typically available to undergraduate students.

**Federal Direct Subsidized Loan**

The Direct Subsidized Loan is awarded based on financial need as determined by the FAFSA. The federal government pays the interest on subsidized loans while a student is attending at least half-time (6 credits). If the Direct Subsidized Loan has been recommended as part of your financial aid award, there are a number of steps that need to be taken to apply for the loan. You must complete the Master Promissory Note, and entrance counseling, by using your Federal Student Aid user ID at: studentloans.gov. In order for the anticipated amount of your loan to be credited to your tuition account, please complete all the required loan documents prior to August 1st. Missing or incomplete loan documents will delay disbursement of your loan funds and you will be responsible for the difference. If you choose not to accept the Federal Direct Subsidized Loan, or if you reduce the amount of the loan, please fill out and return the Financial Aid Decline/Reduce Aid form available at mountsaintvincent.edu/fsforms.

**Federal Direct Unsubsidized Loan**

The Direct Unsubsidized Loan accrues interest while the student is in school. The interest—after a grace period—is added to the amount owed while the student is in school. Repayment begins 60 days after graduation. These loans are not based on financial need of the family. Dependent undergraduate students are eligible for up to $2,000 per year. Independent students, the Direct Unsubsidized Loan may be taken in addition to the Federal Direct Subsidized Loan. The Federal Direct Unsubsidized Loan cannot exceed the cost of attendance, minus any other financial assistance per year for each dependent student. Repayment generally begins 60 days after the 2nd disbursement. However, the parent has the option of deferring payments for the duration of the student’s enrollment in the armed forces. In the case that a student withdraws prior to the spring semester, the spring disbursement will be cancelled. If a parent is denied the PLUS, the student may be eligible to apply for a Federal Direct Unsubsidized Loan for either $4,000 or $5,000, depending on the student’s grade level. Additionally, if a parent is denied the PLUS, the student must accept the Federal Direct Subsidized Loan. If the student withdraws, the Federal Direct Unsubsidized Loan will not be available. You may complete your Master Promissory Note, and entrance counseling, by using your Federal Student Aid user ID at: studentloans.gov. At this site you may complete the form and sign it electronically.

**Federal Direct Parent Loans for Undergraduate Students**

The Federal Direct Parent Loans for Undergraduate Students (PLUS), is a program sponsored by the federal government. Parents can borrow to help pay for educational expenses up to the cost of attendance, minus all other financial assistance per year for each dependent student. Repayment generally begins 60 days after the 2nd disbursement. However, the parent has the option of deferring payments for the duration of the student’s enrollment in the armed forces. In the case that a student withdraws prior to the spring semester, the spring disbursement will be cancelled. If a parent is denied the PLUS, the student may be eligible to apply for an additional Federal Direct Unsubsidized Loan for either $4,000 or $5,000, depending on the student’s grade level. Additionally, if a parent is denied the PLUS, the student must accept the Federal Direct Subsidized Loan. If the student withdraws, the Federal Direct Unsubsidized Loan will not be available. You may complete your Master Promissory Note, and entrance counseling, by using your Federal Student Aid user ID at: studentloans.gov.

Institutional Grants
Alumni and Friends Award
The Alumni and Friends Award is a need-based grant to students based on demonstrated financial need according to the Free Application for Federal Student Aid. Award may be adjusted on demonstrated need at the discretion of the institution.

Scholarship Restrictions
If you receive a scholarship at the College of Mount Saint Vincent, please carefully read and review all of the information enclosed with the scholarship notification letter and electronic award letter. All scholarships require that students maintain a certain grade point average, be registered full-time, and indicate that scholarships are renewable for four years only.

*All scholarships are only offered during freshman year through the Office of Admission.

Private or Alternative Loans
You may choose to apply for a private loan in addition to, or instead of, a federal loan. These loans are based on credit and may require a co-signer or co-borrower. Interest rates vary by student. The student may research and choose any agency of their preference.

Credit on Account Authorization
All Federal Pell Grants, Federal Pell Grants, Federal Supplemental Opportunity Grant (FSEOG), Federal Work-Study, Federal Direct Subsidized Loans, Federal Direct Unsubsidized Loans, Federal Direct Parent Loans for Undergraduate Students (PLUS), and any state grants, will need to sign an authorization statement. This statement indicates that any credit is created due to the receipt of any of these funds, that the student and parent authorize the College to hold it on the student account. If at any time the College determines that a refund of the excess funds, a Request for Refund form must be completed in the Office of Student Accounts, so a refund can be processed. The authorization regarding Credit on Account form and the Request for a Refund form are available at: mountaintinevnted.edu/faforms.

Verification
Verification is a random selection of students' FAFSA by the federal government for quality assurance purposes. The federal government requires confirmation that the information self-reported on the FAFSA matches the information submitted to the IRS. Before federal financial aid is credited to your account, the information submitted on the Student Aid Report is verified. The College of Mount Saint Vincent is responsible for initiating this verification process. We encourage everyone to use the IRS data retrieval tool when filing the FAFSA, as this may reduce your FAFSA being selected for verification, and will waive the requirement for a tax transcript if selected. All financial aid is awarded on the basis of need as determined upon verification. Additional documentation may be requested if needed. Upon receipt of the information, it is reviewed and compared with the information noted on the Student Aid Report. If this new information changes data previously submitted, a revised financial aid award may be sent to you. Your timely response to requests will avoid delays in the disbursement of your aid. If you fail to bring in the required documentation, your financial aid status will be canceled.

Satisfactory Academic Progress Standards for Federal State Aid Recipients
Federal regulations require that the College’s Office of Financial Aid establish standards for Satisfactory Academic Progress (SAP) that measure a student’s progress toward degree completion using both qualitative and quantitative methods.

To be eligible for financial aid, students must meet or exceed these standards each year. Failure to maintain these standards will result in suspension of your financial aid eligibility. SAP applies to all coursework attempted including coursework for which the student did not receive financial aid.

As you review the standards shown here, be advised that you must complete a minimum of 67 percent of your attempted coursework/credits attempted for the academic year (see below) for example, 67 percent total attempted coursework/credits attempted for the academic year is 67 percent completion.

Maximum Time Frame
Terms attempted may not exceed 150 percent of the published length of your program.

Quantitative Standard: Credits Completed Per Academic Year

2. Fails to maintain a credit completion rate of 67 percent.
3. Fails to complete the requirements (GPA and credit completion) for courses taken during the probationary semester.
4. Attempted (including applicable transfer credits) are more than the maximum 150 percent of the degree/ certificate that they are currently seeking.

Students will be notified in writing via their College of Mount Saint Vincent student e-mail account about their financial aid suspension.

Appeals
In extenuating circumstances exist which caused a student to fail to meet one of the above standards, a written appeal may be submitted. An appeals form is available at: mountaintsaintvincent.edu/faforms

Approved Appeals, Financial Aid Probation, and Academic Plans
Students with approved appeals will be placed on Financial Aid Probation for one term if it would be possible for them to achieve satisfactory academic progress (SAP) at the end of that term. If it is not possible for the student with an approved appeal to achieve minimum SAP standards within one term, the student will be maintained on an academic plan.

While on Financial Aid Probation or on an academic plan, certain conditions for academic performance are set and monitored. Students with approved appeals will be notified via their College of Mount Saint Vincent student email account.

*Please note that these standards are different than New York State Tuition Assistance Program (TAP) requirements as well as those of the College.

SAP standards for determining eligibility for students receiving Tuition Assistance Program (TAP) Aid to Part Time Students (APS), or any other New York State grant(s) or scholarship(s) (including but not limited to WTC, Merit, and Lottery), must meet the State Education Department’s requirement for both program pursuit and SAP. All standards of Academic Progress, including Program Pursuit, are checked at the end of each semester.

Program Pursuit
A student must complete a minimum percentage of standard full-time semester course load in order to maintain New York State eligibility. Standard full-time eligibility is defined as 12 credits or more per semester. A student must meet the minimum Program Pursuit goals:

1. 1st year student: must complete 50 percent of their course load (6 credits) by the end of each semester.
2. 2nd year student: must complete 75 percent of their course load (9 credits) by the end of each semester.
3. 3rd year student: must complete 100 percent of their course load (12 credits) by the end of each semester.
4. 4th year student: must complete 100 percent of their course load (12 credits) by the end of each semester.

In addition to having to meet the Program Pursuit goals, students must also maintain a certain grade point average associated with the amount of credits they have attempted. This is also known as SAP. A student's SAP is based on the student's enrollment starting date at the College of Mount Saint Vincent.

Standard of SAP effective 2010-2011 for non-remedial students receiving their first New York State award payment in 2010-2011, and thereafter. Remedial students and students enrolled in an approved certificate program will use the 2006 Satisfactory Academic Progress charts.

Loss of TAP Eligibility and Appeal Process
A student may become TAP ineligible due to one or more of the following reason(s):

• The student did not declare a major and has accumulated 60 credits or more.
• The student is repeating a course for which they have already received a passing grade. The repeated course cannot be used towards full time status.
• The student failed to complete the required amount of credits on the last TAP supported semester.
• The student failed to complete the total amount of earned credits for the specific TAP semester payment.
• The student failed to maintain the required cumulative GPA required for the specific TAP term payment.
TAP definition for repeated courses, which are courses for which a student has already received a passing grade. Such courses cannot be included in the TAP full-time study requirement. Repeated courses may be counted towards the full-time study requirement if:
- the student previously received a failing grade
- the student received a passing grade that is unacceptable in a particular curriculum

A student may be granted a one-time waiver of the TAP award for the following semester. Options available to a student in this situation are as follows:
- Request a TAP Waiver in writing. A TAP Waiver is not automatic and is granted only for reasons of extraordinary and/or unusual circumstances. The waiver will be reviewed by the TAP Appeal Committee.
- Remain out of school for a least one full year after losing eligibility. Students who have used four semesters of TAP, but have a cumulative grade point average of below 2.0, must obtain a cumulative grade point average of 2.0 at the College of Mount Saint Vincent to regain eligibility.
- Continue at the College using funds other than TAP to finance educational costs. Eligibility will be regained when the student again meets the academic criteria.

Transfer to another college.

Appeal Process
1. Student must complete the TAP Waiver forms and submit the documentation to the Office of the Registrar. Those documents are included in this packet or can be downloaded at mountsv.textbookx.com/institutional/index.php
2. The TAP Waiver is reviewed by the TAP Appeal Committee
3. Waiver determination will be sent to the student via their College of Mount Saint Vincent student email account.

Withdrawal and Refund of Aid
Students receiving Financial Aid who find it necessary to withdraw from the College must notify the Office of Financial Aid immediately. If a student withdraws from the College of Mount Saint Vincent prior to the completion of 60 percent of the term and if Title IV financial aid has been used to pay all or any portion of the charges, the federal, state, or local government agency or court.

Students Convicted of Possession or Sale of Drugs
Financial Aid, depending on whether the conviction was for sale or possession and whether the student had prior offense. A conviction for conspiracy to sell drugs will make him/her ineligible again. Students denied eligibility for an indefinite period can regain eligibility after successfully completing a rehabilitation program as described below or if a conviction is reversed, set aside, or removed from the record. When a student regains eligibility during the award year, the college may award Pell and Campus-based aid for the current payment period and Federal Direct loans for the period of enrollment.

Monthly Payments Plans

If you have received an outside scholarship or other form of assistance not listed on the official financial aid award, you should contact the Office of Financial Aid immediately.

A new award may result if you fail to disclose this information. A revised financial aid award will be issued if an over-award occurs, reducing some type of aid.

Study Abroad
There are no institutional or state programs available for the summer terms. The three programs available for the summer terms are Federal Direct Loans, if not exhausted during the fall and spring semester, Federal Direct Parent Loans for Undergraduates (PLUS), and private loan programs. Students must be in at least 6 credits for the summer to be eligible for Federal Direct Loan.

Renewal of Aid
Financial aid awards are not automatically renewable. Financial aid must be applied for each year. You may continue to receive financial aid if you provide evidence of financial need, scholastic achievement, and personal responsibility. Students who wish to continue financial assistance must apply each year through the FAFSA form and other grants forms if applicable. The Federal Processor notifies you by email to complete the renewal applications in early January. A new application must be submitted each academic year by March 15th for priority awarding. The specific amounts awarded to you in each aid category can usually be expected to change each year. Changes may occur for many reasons including increases or decreases in your family’s ability to contribute, aid awarded to outside sources, the family assuming more responsibility of the student’s education, or increased demand for financial aid funds.

Revised Awards
The award is based on the best information we have available. During the course of the academic year, we may find it necessary to send you revised awards. For example, after we email your financial aid award, we may be notified that you are receiving another form of financial assistance. When we are informed of this fact, we will revise the award and include this additional resource in the package. Other possible reasons for revised awards include, but are not limited to changes in actual state awards, changes in the calculation of employment and notification of information which alters financial data on the Student Aid Report (FAFSA). All updates will be for viewing on Self Service, at selfservice.mountsaintvincent.edu.
